STANDARD SPECIFICATION OF REFINED BLEACHED DEODORIZED (RBD) PALM KERNEL OIL

Product Description:

It is Refined, Bleached and Deodorized Palm Kernel Oil. Palm Oil and Palm Kernel Oil are both sustainable tropical oils which come from the fruit of the oil palm trees. These versatile oils, however, have very different chemical compositions and physical characteristics. Palm Oil is often used for edible purposes while palm kernel oil is mainly used for non-edible purposes such as making soaps, cosmetics and detergents.
